

RightSpot Parent App Guide

1

Install the RightSpot Parent App

You can locate the link on the bottom of our website: **RightSpotSol.com**.

Or directly from the **Google Playstore** / **Apple App Store**.

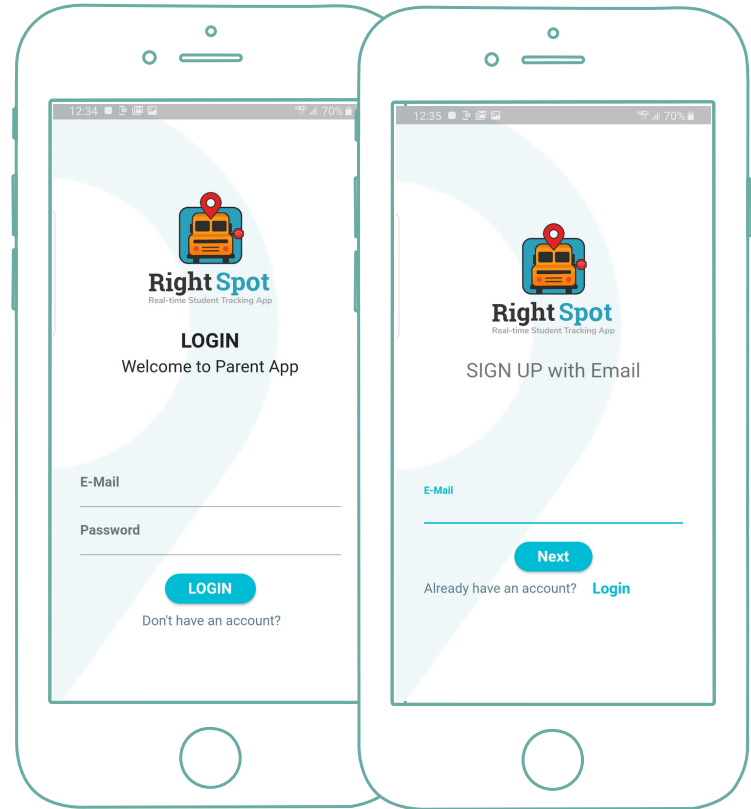

2

Sign up by clicking 'Don't have an account?'

1. Enter your email.

NOTE: Only the primary parent's email registered in the school's student information system will be allowed to create an account

**3**

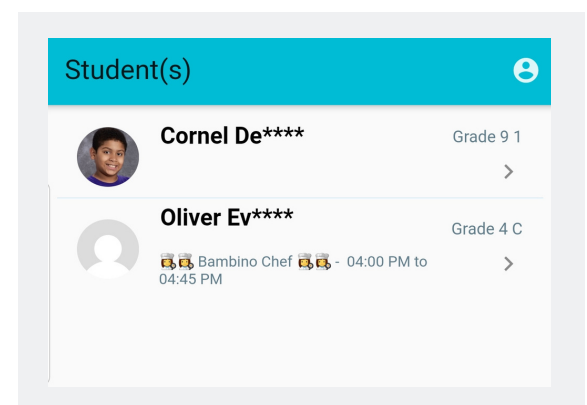

You're all set!

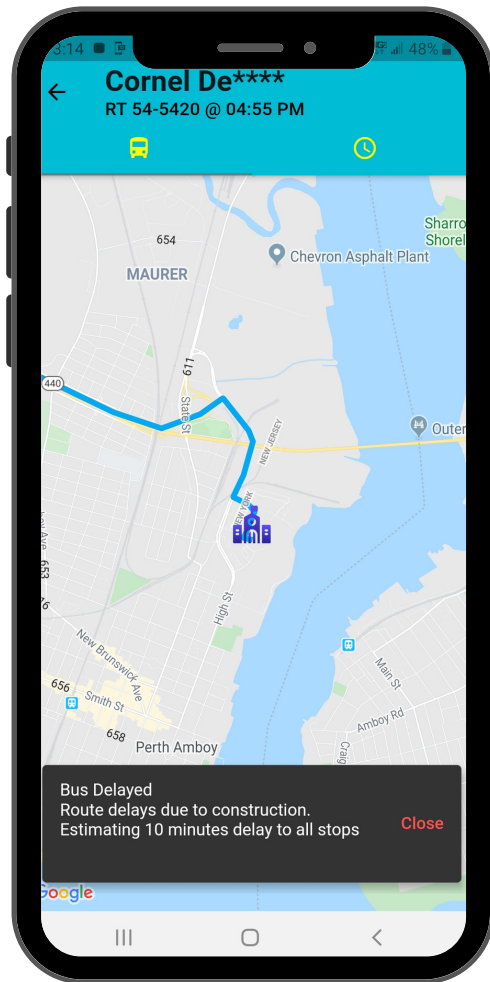

You can log in to see your child's activities status of the bus and any notifications sent by the school

Your child's info at your fingertips

Any exceptions or after school programs are listed here for you.

NOTE: You will only see children that you are primary parent for in the School's Student Information System or if a parent has authorized you to view their child's information.

View School Bus Status

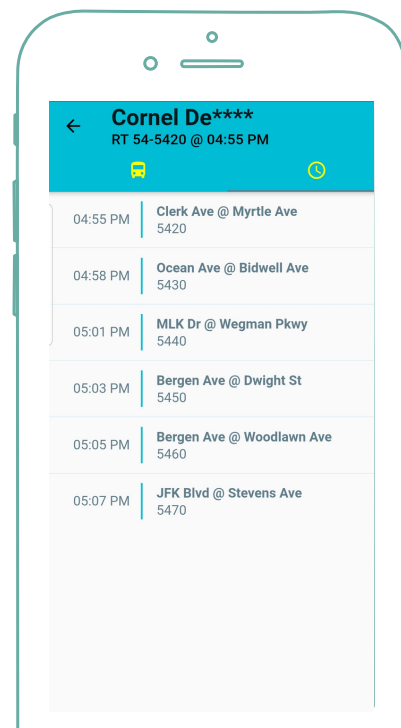

The bus will show on your screen when it starts its route. Your child's stop is highlighted.

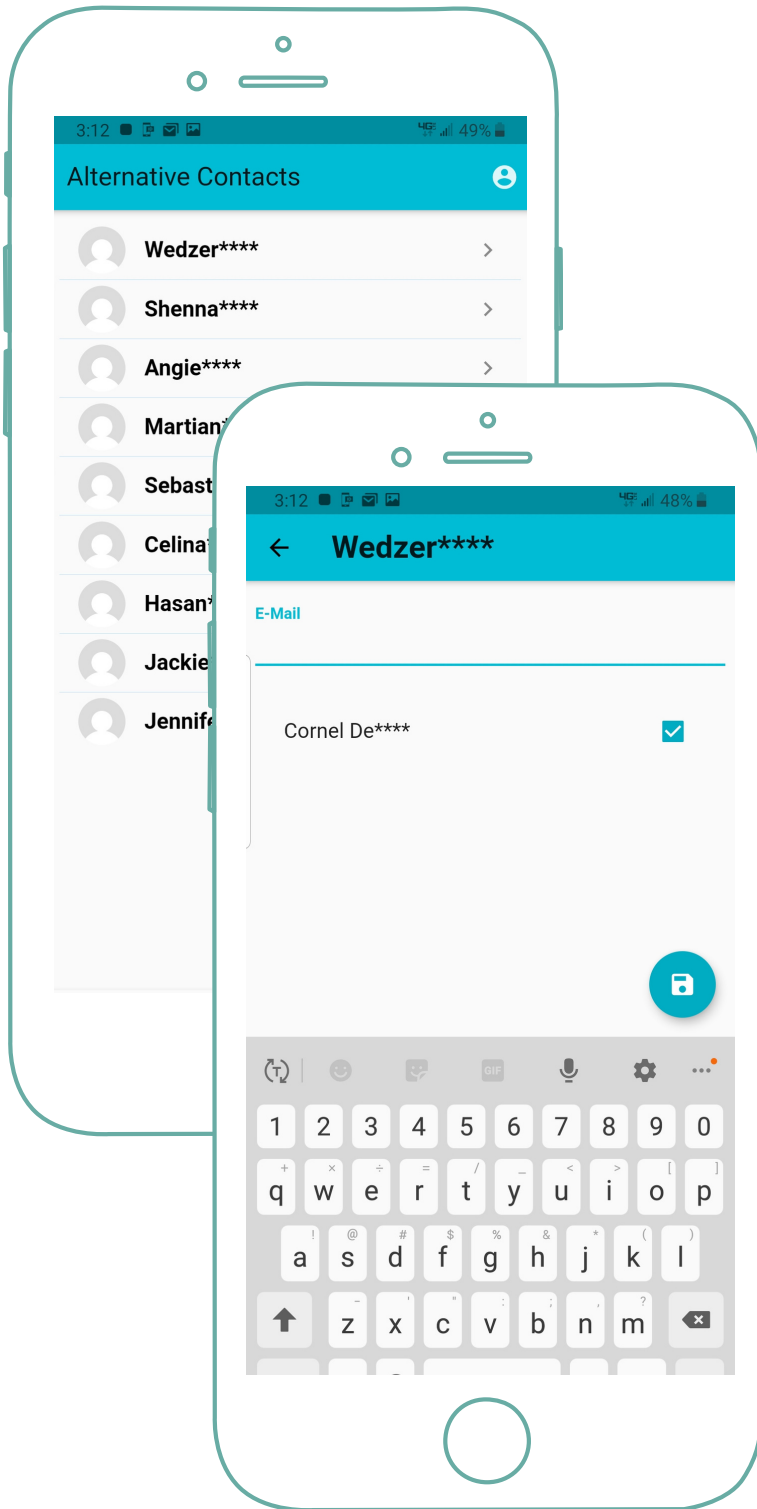

Notifications

School staff can send notifications to parents to keep everyone in the know about delays or changes to a schedule.

For Your Reference

Click on the "clock" icon to see the normal scheduled times for the bus route

You control who can use RightSpot Parent to see your child's information

On the Authorize tab you will see the list of Alternative Contacts who are allowed to pick-up your child. These contacts are taken from your School's Student Information System.

Provide the person's email and indicate which children the person is allowed to track with RightSpot Parent App.

They will receive an invitation to install the app.
