Kindergarten Grade Level Service Project, January 16-23, 2017: The Water Project

$$\begin{array}{c}
 \text{Carton} + \text{Bottle} + \text{Can} = \$1.35 \\
 \$0.50 \quad \$0.35 \quad \$0.50
 \end{array}$$

$$\times 14 \text{ DAYS} = \$18.90$$

$$+ 2 \text{ DRINKS OUT} = \$4.10$$

$$\text{Water Drop} \text{ FOR } \text{Person} = \$23$$

The Kindergarteners at BelovED will be participating in The Water Project from January 16th to 23rd. We will be giving up juice, soda, and all other beverages except water for two weeks. This fundraiser benefits people in Africa who don't have access to a sustainable water supply.

The Goal? Each participant raises enough to bring clean water to one person; or about \$23. Last year, our Kindergarten students raised over \$1400 and helped build a well in Kenya! This year we plan on beating that number!

The Water Project will use the donations to fund the building and repair of wells, sand dams and other water technologies in sub-Saharan countries of Africa where clean and safe water is often scarce.

For more information or to make donations directly please visit: <https://thewaterproject.org/community/profile/beloved2017> and share our page on your social media!

At BelovED part of our mission is to help others, and this project is a great way to be active global citizens making a real tangible difference in the world, especially during MLK week! If you would like to participate please donate on our website and add your name and class. Then, Ms. Giblin will deliver you a Water Project bracelet!

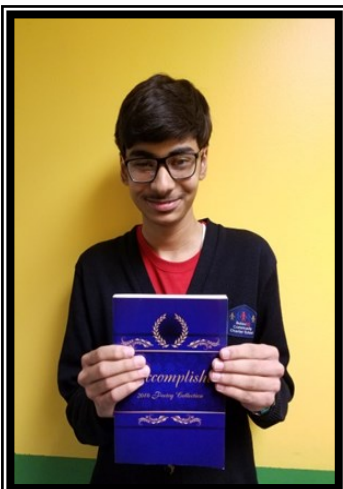

Online Keyboarding Program for BCCS Scholars

The scholars in grades 2, 3, 4 and 5 have a school account for the Edotyping Keyboard Program. A section of their Technology Class each week instructs reviews and/or evaluates a lesson. Please encourage your children to practice with this online program for about 15 minutes, two or three times a week.

Poet in Residence

Please join us at BelovED in congratulating 6th grade scholar, **Hamzah Faisal**, on his being a published poet. Hamzah's poem, *Tenaciously Endeavor to Always Succeed* was chosen for publication by the American Library of Poetry. With his permission it is reprinted here.

Tenaciously endeavor to always succeed
 Tenaciously study hard to always excel
 Just keep your head up high and you will be fine
 Always keep fighting until you achieve your goals
 Just like how a ferocious lion fights fearlessly
 It doesn't stop until it gets what it desires
 If you always work hard you will get what you desire
 Tenaciously endeavor to always succeed

WE'VE GOT TALENT

With the winter show fast approaching; I thought it might be nice to showcase some of our students' talents.

If your child has a musical talent (dancing, singing, or playing an instrument); that they'd like to showcase as a solo or small group performance as a part of the winter show; Please have them prepare their number for auditions during Homeroom
735-8:05 am; Mon-Fri January 16-20 for grades K-4
Auditions will close at 8:10 am on January 20th.

Any Songs or Dances that need audio (Cds/Mp3s) need to be appropriate for school audiences and need to be brought in on a USB or CD format.

Auditions will be held in the music room.

Please email vjacob@belovedccs.org with any questions or concerns

We will be holding the lottery for 2017-18 applicants on Wednesday, January 18th. If your current BelovED scholar has a sibling who will be entering BelovED next year, please be sure to apply by January 15, 2017 - the cut off for the lottery - at belovedccs.org. The sibling will be admitted under our sibling preference policy and will not have to participate in the lottery, however, they must apply and do so by January 15th. I have already received 40 sibling applications. This reminder is ONLY for those siblings who have not yet applied.
