

JANUARY 2018

# HOOT HERALD

## Welcome Back!

It was a pleasure to welcome our scholars back after the break.

We hope you had some restful family time. At the end of this month we will be half way through the school year. We still have lots more to do and we look forward to a successful part 2 to the year.

## PTO Fundraiser

The PTO will be sending home Fundraising Materials on Friday, January 12<sup>th</sup>.

Please look out for them.

## Water Project

Kindergarten's annual service project, *The Water Project*, will be occurring between **January 19<sup>th</sup>** and **January 29<sup>th</sup>** this year!

The Water Project provides access to safe and reliable water across sub-Saharan Africa. Together, our support can end the water crisis and restore hope, one community at a time. The coolest part? We'll all get to see our impact! Every gift is directly linked to a specific water project and community. We'll receive updates including photos and stories, maps and more!

Please contact Ms. Giblin or more information and to sign up. Please also see the link below for more information.

## Sibling Registration

Registration for 2018-19 closes January 15<sup>th</sup>. If your scholar has a younger sibling who will be enrolling in BelovED next year - and you have not already done so - please be sure to apply on line before midnight on the 15<sup>th</sup> at [belovedccs.org](http://belovedccs.org). All siblings will be accepted and will not have to participate in the lottery, but they do have to apply by the deadline to receive that preference.

## Hudson County Improvement Authority Earth Day Contest

Each year the HCIA sponsors an art contest to promote Earth Day. Students are invited to submit drawings to be included in the HCIA's annual calendar. This year BelovED had three winners! Congratulations Scholars!

First Place	Mehr Kothari, Grade 2
Third Place	Nipur Goel, Grade 1 (has since moved to FL)

### The National Charter Collaborative

The National Charter Collaborative is a non-profit focused on supporting charter school leaders of color. Each month it recognizes a Charter School Leader and in December it chose our very own Middle School Dean - **Victoria DeLeon** - to highlight. Congratulations Ms. DeLeon! Your dedication and hard work certainly deserves recognition!

### Current Contact Information

There are times during the school day when we need to contact parents with important and/or emergent matters. It is imperative that we have current contact phone numbers (including cell, home and work) and email addresses. If your contact info has changed, please let us know by emailing [lshundler@belovedccs.org](mailto:lshundler@belovedccs.org) or [ismith@belovedccs.org](mailto:ismith@belovedccs.org). If you are not sure if your contact info is current, please check with us. If you are NOT receiving regular texts and emails from our Honeywell Alert System, then we DO NOT have current information.

### American Academy of Pediatric Guidelines for children's media use.

With several lucky scholars having received Smart Phones and other devices over the Holiday Break, we would like to take this opportunity to share with you some guidelines on appropriate use established by the American Academy of Pediatrics. It is important that students not have access to their devices during bed time as it disrupts sleep among other things. Please take a look at the following link: <https://www.aap.org/en-us/about-the-aap/aap-press-room/pages/american-academy-of-pediatrics-announces-new-recommendations-for-childrens-media-use.aspx>

**Kudos to all the scholars who received Perfect Attendance for the month of December. Great Job! Dress down Day will be Friday, January 12, 2018**
